by the Cabinet of the

STUDENT GOVERNMENT ASSOCIATION

Students are required to bring this book to college with them and are held responsible for knowledge of its contents.

Our system of student government is highly idealistic. To make it a successful functioning organization, we must look beyound the regulations and standards set by it and attempt to understand fully the ideals which underlie it. Student government imposes self-discipline and high integrity. It is not the easiest form of government but it is one which builds character; it expresses our common faith in the inner integrity of every student. To preserve this sense of personal honor both for ourselves and for others is a sacred trust resting upon each of us.

"For ye, brethren, were called for freedom; only use not your freedom for an occasion to the flesh, but through love be servants one to another. For the whole law is fulfilled in one word, even in this: Thou shalt love thy neighbor as thyself."

MESSAGE FROM THE PRESIDENT OF THE COLLEGE

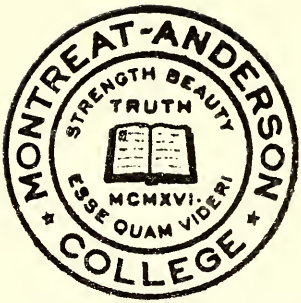
A warm, cordial welcome awaits you at Montreat-Anderson College. You will quickly come to know everyone by name and everyone will know you.

The Faculty have dedicated themselves to the ministry of teaching in a Christian college. They are here to guide you as you grow into mature men and women in body, mind and spirit.

The regulations for student life which you find in this booklet have been agreed upon by the Faculty and Student Leaders as the minimum requirements for a happy life together in a Christian college.

I shall look forward to the pleasure of meeting and knowing you personally. If at any time you think I can be helpful, please come to see me.

Most cordially yours,
DR. C. GRIER DAVIS, President
Montreat-Anderson College



"College life is not a passageway from one phase of life to another—it is four years of life itself." Nor is college life found primarily in the classroom and textbook, although they are a vital part . . . The deeper, fuller life you create for yourself. You will create it as you participate in school activities; as you contribute your abilities and skills to the task at hand; and as you accept the responsibility and challenge of student government.

Now, as in every phase of life, you determine your own growth—or lack of it. Montreat offers you many opportunities to grow. It emphasizes the building of the mind, body and spirit and would have you claim these blessings as your own.

Colleges have personalities just as people do. You will become a part of this personality and it will become a part of you. You give it your best and you will receive a double portion. You can and will find what you are looking for, whether you have been inspired to lofty goals and filled with intellectual curiosity, or simply challenged to waste four years of life.

You will bring to us new ideas, new talents, and new zeal. In return Montreat offers you the OPEN BOOK, as seen on our seal. Each student finds and writes in this book what he will. And, as you fill this book with your college experiences, Montreat would have you write each page with STRENGTH, BEAUTY, and TRUTH.

These are our goals, yet they are more than goals. They are realities . . . realities in the lives of all students who will practice them. "Esse quam videri—to be rather than to seem." Be honest with yourself. Strength, beauty, and truth are both a cause and a result of "being rather than seeming."

Practice the message of the seal and you will find that life takes on a deeper and fuller meaning. YOU are the one to make your memories of these days vivid and pleasant.

MESSAGE FROM THE DEAN OF WOMEN

Once again, we take advantage of the pages of the Handbook to welcome you to Montreat-Anderson College and to tell you something of the life that will be yours as you join our college family. We are, of course, very happy that you have chosen to come to our college.

In choosing to continue your education, you are in a sense indicating that you need what a college such as Montreat-Anderson has to offer. But I would like to show you how very much Montreat needs what you yourself can give. We need students who are willing to work with us to maintain our high ideals. We need students who have a thirst for knowledge and a desire to learn in order to prepare themselves for the life ahead in this world. We need those of you who want to know more about the Christian life and who are willing to live among fellow Christians, showing a spirit of love and understanding. We need what each one of you can contribute.

As you give of yourself, you will receive. College is a rich and rewarding experience and college life at Montreat-Anderson has been a blessing to many people. May your experience at Montreat fulfill all the dreams of your heart.

Cordially yours,
EVELYN MORRIS
Dean of Women

HERE'S WHAT WE DO!

To you who have been anticipating college days, we know you must have endless numbers of questions haunting you day after day. Maybe the following information will enlighten you on some of the conveniences that are really life savers, and also tell you of the traditions and activities that add spice to our college life.

Dormitory Cooking: The kitchen in Howerton is for your use. You can pop popcorn or cook soup, or anything else, just as long as you sign up on the pad that you intend to use it, and if you will clean up afterwards.

Those Soiled and Wrinkled Clothes: A washer and a dryer are provided for doing your heavy laundry. Ironing rooms are conveniently located in the dorms. Dry cleaning may be sent to Black Mountain.

When You're Sick: Clinic hours of the Infirmary will be posted at the beginning of school. At other times when you need the nurse, please notify the Head Resident. If you are unable to attend classes or required meetings, you should report to the Infirmary Otherwise your absence cannot be excused. The Infirmary will have visiting hours. We ask you to please abide by them.

Student Bank: For you people of great means, and others of you of no great means, the student bank offers a safe place for your money. It is open every week day at scheduled times and you may deposit or withdraw as you wish. The bank is located in the Business Office in Gaither Hall.

Mail: Each student is assigned a mail box at the beginning of the year. The rental fee is $1.35. The Montreat Post Office receives two mails each day, in the morning and in the afternoon.

Bulletin Boards: The official bulletin board, located in Gaither Hall, is the central source of all important communications from the faculty, administration, student government, etc. It is your responsibility to keep up with what is going on, so be sure to check the bulletin board several times daily. Who knows? The Dean may want to see YOU!

Bookstore and Lounge: The Bookstore and Lounge are located in McAlister Hall. The Bookstore is open at designated times during the day and evening. The store has all textbooks, school supplies, snacks, and some personal supplies you might need. The Lounge is equipped with a TV set and we're hoping that someday we'll be lucky enough to get two channels!

A. C. T.: The Asheville Community Theatre presents six excellent plays during the season. Students may purchase season tickets at the opening of school.

Civic Music Concerts: The Civic Music Concerts offer a variety of programs featuring internationally known artists. Season tickets may also be purchased at the beginning of school. Transportation is available in the college station wagons to both the A.C.T. plays and these concerts.

That Special Date: The date rooms and lobbies of the women's dormitory are attractive and especially designated for entertaining dates.

Sunday Activities: Our Sundays begin with Sunday School and Church in the morning. Reading, listening to music, letter writing, short walks, and visiting with friends in the community are some of the things we do on Sunday afternoons. Hymn Sings are held on some Sunday evenings following Vespers. The Church Choir sings once a month for the morning worship services at Moore General Hospital, and through the S.C.A., students visit Western Carolina Sanatorium every

Sunday to teach the Sunday School lesson and provide special music for their services.

Saturday Nights: Movies, plays, concerts, square dances, and various other activities are scheduled on Saturday evenings. During the year, groups from other colleges are invited to Montreat for special weekends and are entertained by groups of Montreat girls. Montreat boys and their dates often participate in these weekends which include an outdoor picnic, hikes, and square dancing.

The Freshman Talent Show: The Freshman Talent Show in October is eagerly awaited by the upperclassmen. This major production is an opportunity for you Freshmen really to perform. Who knows? TV may be looking for you!!

Thanksgiving: This is our traditional Homecoming with soccer game, banquet, and a royal welcome to returning Alumni.

Christmas: The Christmas Season is a very busy time for Montreat Students. Programs are given by various organizations. The Sophomore Class sponsors the annual Christmas party. Special projects are also conducted through the S.C.A. and the S.G.A. by which gifts are made to needy families of the community. One of the enjoyable things during the Christmas season is the tradition of "angels and mortals". Each girl is an "angel" and does secret good deeds for her "mortal".

The February Favorites Costume Party: Each year in honor of all the national heroes born during February, the S.G.A. sponsors an annual costume party. This is a gala occasion and one to which everyone looks forward.

Spring Activities: The coming of Spring brings to Montreat several special occasions: The tour of the Montreat College Singers, the Thalian play, and one of the major events of the year, the May Day Pageant and the crowning of the May Queen.

Many prospective students visit the campus during May Day Weekend.

Commencement: The busy Commencement season is the time for the concert of the Montreat College Singers. Various awards are given to those who have been outstanding academically and in sports activities. Commencement Saturday includes the Alumni Luncheon honoring the graduates and past graduates who have returned. The season is climaxed by our Graduation, the loveliest and most impressive ceremony of the school year. Women students wear white dresses or suits, and men students wear dark suits to participate in the processional and recessional.

Dear Friends,

I am so glad that you have decided upon Montreat-Anderson for your college for next year. Montreat is a wonderful place, not only as a college but also as a home away from home. We have some delightful moments together as a student body, of which I am sure you will become a part.

All of us do not belong to the same church, but all of us are serving the same Master; therefore, by working and praying together, we can help make Montreat a Spirit-filled institution where one can learn more about Jesus.

Because Montreat-Anderson is a junior college in its younger years, we all must work together to uphold the standards of Montreat, and to make Christ seen in our daily lives. In Romans 8:28, Paul wrote: "And we know that all things work together for good to them that love God, to them who are the called according to his purpose."

A friend in Christ,

STUDENT GOVERNMENT REGULATIONS FOR ALL RESIDENT STUDENTS

I. FRESHMEN ORIENTATION

New students are guided in their study of the Handbook, and after the Orientation Period, a test is given on its contents.

The Orientation Period is for transfer students as well as freshmen.

1. In order that new students may become well established in their college work, no weekend permissions will be granted during this six weeks' period.

2. After the Orientation Period, freshmen may take four weekends off campus first semester. Second semester weekends will be based on first semester grade point averages. (See Weekend Permissions.)

3. Cabinet reserves the right to give special permission during the six weeks' Orientation Period to those who have worked in Montreat in the summer and have earned such permission.

II. WEEKEND PERMISSIONS

1. In addition to Fall and Spring weekends, permissions for off-campus weekends will be granted on the following basis:
   a. Students having a 2.0 average may take weekends at their own discretion as long as their grades remain 2.0.
   b. Students having a 1.0 average may take 5 weekends a semester.
   c. Students having below a 1.0 average may take 2 weekends a semester.
2. Any over-night departure from the campus constitutes an off-campus weekend.

III. DORMITORY

1. Students are expected to keep their rooms clean and in order and are not to damage the property.

2. Please turn out lights and turn off radios and record players when leaving a room.

3. Lamps, radios, record players, hair dryers, heating pads and brew-masters may be used in the student's room. Electric cooking utensils may be used only in the kitchen. Irons may be used only in the ironing rooms.

4. Overnight guests are to abide by college and dormitory regulations.

IV. STUDY HALL

1. Dormitories shall be quiet beginning at 8:00 P.M. From 8 to 10 P.M. students shall not visit each other in dormitory rooms. A student lounge is available for those who have free time during study hall. Hall lights are dimmed at 10:45 P.M. and the dormitories are to be reasonably quiet after that time.

2. When DO NOT DISTURB signs are used, they must be placed in plain sight on a closed door.

3. A penalty of 3 demerits will be given for visiting during Study Hall and 5 demerits for breaking a DO NOT DISTURB sign at any time. These signs may be broken only for telephone calls by the Telephone Scholarship student, or by the President or Vice-President of S.G.A., the Dean of Women or the Head Resident.

V. TELEPHONE

1. Due to the large number of people dependent upon a single telephone in each dormitory, students are asked not to make telephone calls between dormitories unless the calls are urgent or business calls.

2. All local calls are limited to five minutes.

3. Long distance telephone calls are to be made from the pay telephone in each dormitory.

4. Scholarship students are appointed to answer the phone at night and on the weekends. To avoid confusion, others are requested to leave the responsibility to them.

VI. MEETINGS

Because of the importance of full student participation, the difficulty of group work and planning with only partial membership present, and because certain special cultural programs held throughout the year may add value to a student's college experience, attendance will be required for the following:

1. Student body meetings
2. Hall Court meetings
3. Class meetings

Administrative regulations require attendance at Church, Vespers, Chapel, Seated Meals, and official college functions.

VII. PENALTIES

1. **Demerits**—These will be given either by the Dormitory Council for violations of house regulations, or by the Cabinet of S.G.A. When a student receives a total of 15 demerits, he or she will receive a two-weeks Campus. (House Presidents shall submit a record of all demerits given to students by the Dorm Council to the Vice-President of S.G.A. and upon a student's receiving 15 demerits, the two-weeks Campus becomes automatic.)

2. **Campus**—A Campus requires that the student not leave the campus at any time during the specified length of time. In addition to the automatic two-weeks Campus for 15 demerits, Cabinet may give other penalties of this nature for longer or shorter periods, depending on the case.

3. **Restriction**—A Restriction requires that a student give up all honors on the campus and not participate in any campus activity except classes, meals, library, scholarship work, Chapel, and Church services. A student on restriction may not visit or receive visitors. Additional terms of the restriction may be added by Cabinet according to the individual case. A restriction may be given either by Cabinet or by the Judicial Administrative Committee of the Faculty.

When a student is campused or restricted, the President of the S. G. A. will post on the dormitory bulletin boards the name of the student and the reason and duration of the penalty.

Any additional activities not listed above that may prove profitable and are deemed advisable for the Women's Recreation Association to sponsor shall be included in the program of activities. Examples of such possibilities may be as follows: chess, checker or carom tournaments, co-recreational activities, series of folk dance evenings, special work in cheerleading and college songs, standard first aid course, or special swimming courses.

ARTICLE II — AWARDS

We believe that recreational pursuits provide a way toward the enrichment of life. Through participation in a wide variety of activities the student:

(1) grows in the proficiency of recreational skills.
(2) broadens her concept for use of leisure time.
(3) is challenged to more healthful living.

Our awards, therefore, are not designed to represent an accumulation of points as an end in themselves, but rather to represent some attainment of this greater concept toward the enrichment of life through recreation.

In many ways our point system is simply used as a guide to tabulate the quantity of participation in each category of activity and this the student can reckon for herself. However, the quality of sportsmanship and greater concept of team participation is not so easily reckoned but is recorded as a result of the vote of the student committee and advisor and this portion of the record is not available to the individual student.

In the listings below we do not publish the total number of points necessary for a numeral or a monogram but we do give to the individual student the knowledge of the minimum quantity of participation which is necessary in certain categories of our program.

Section 1. Individual Awards

a. Numerals. When a student has participated to a satisfactory degree in the team sports, has a minimum of 30 points in Article III, Section 2 of the By-Laws, and has a minimum of 60 points in

Article III, Section 3 4, or 5 of the By-Laws, she shall be considered by the committee for the award of her numerals.

b. Monogram. When a student in her second year at Montreat-Anderson College has participated during her college years to a satisfactory degree in team sports, has a minimum of 60 points in Article III, Section 2 of the By-Laws, and has either made the hiking club and received 20 points in Article III, Section 4 or 5, or has made 120 points from a combination of Sections 3, 4, and 5, she will be considered by the committee for the award of the Monogram.

c. Chevron. When a student who has received her Monogram continues to participate to a satisfactory degree in the total program of the Women's Recreation Association she will receive credits toward her chevron and will be awarded same upon the advice of the committee for awards.

d. Medal. Any member of the graduating class, who has previously won her chevron, and who has through outstanding participation—followership and leadership—exhibited high ideals of sportsmanship, and who has through her part in the program of the Women's Recreation Association rendered a real service to the college, is eligible for the individual proficiency medal awarded each year.

e. Specific information on individual awards shall be kept with the records of points.

Section 2. Group Awards

a. The Cup shall be awarded each year to the Blue or Gold Team—the Team which has won the greatest number of tournaments in our individual and team sports program and has the largest number of participants in our hiking program.

b. Specific information on the awarding of the cup shall be kept with the records of points.

ARTICLE III — POINT SYSTEM

Section 1. Team Sports

A student committee together with the advisor shall determine the number of points to be awarded each member of the team. The following will be

used as a guide for the determination of points for each team sport:

Play in tournaments ..... 25 points

For proficiency and versatility in tournament play and for sportsman-like conduct in all game situations—a maximum of ..... 50 points

Section 2. Individual and Dual Sports

We recognize the fact that a good sport will arrange to adequately meet her obligations in the playing off of tournaments. A student should also know how to play the sport and how to score before entering the tournament.

a. A student committee together with the advisor shall determine the number of points to be awarded each individual.

The following system is to be used as a guide.

For singles and doubles elimination tournaments in Tennis (where one set constitutes a match) and Badminton (where two out of three games constitute a match), each tournament match played ..... 5 points

For singles and doubles elimination tournaments in Horseshoes (where two out of three games of eleven constitute a match), Deck Tennis (where one set constitutes a match), shuffleboard (where two out of three games of 50 constitute a match), Table Tennis (where two out of three games constitute a match), each first match played in a tournament ..... 5 points and each additional match in that tournament ..... 3 points

b. The winner of each tournament, where entries involve sixteen or more matches in the first round, shall receive an additional ..... 5 points

c. For default in any tournament (except for physical handicap preventing play) the student committee shall consider subtracting ..... 25 points

Section 3. Hiking

number for hiking club or more than required for hiking club ..... 5 points

SPORTS

As you new Freshmen enter the doors of the dormitories, yells of "Yea Blue!", "Yea, Gold"! will pound your eardrums.

Freshmen constitute the Blue team and Sophomores, the Gold team for 1960-61.

We have intramural competition in both team sports and individual sports. Through continual participation in the afternoon sports program we learn to play, develop skill in play, and best of all make friends and have fun through play.

Just as autumn, winter and spring come, so do our seasonal team sports. First we play soccer and speedball, then basketball, volleyball and softball. The tougher the competition in these sports, the better we like it and the harder we play.

Our individual sports program provides opportunity for developing play in many well known recreational sports: horseshoes, shuffleboard, table tennis, deck tennis, tennis and badminton. There is always something new and exciting to learn and do! Learn to consult the Athletic Bulletin Board so you can see what's going on in sports for each day.

You'll want to get in the hiking club, too. The mountains that surround Montreat are gorgeous and the only way to know them is by hiking. So, be sure to bring your camera and hiking shoes.

Then the big day comes! Awards of numerals, letters and chevrons are made to those girls who prove themselves outstanding in sportsmanship and athletic ability. Also, the Cup is presented to the Blue or Gold team winning the most tournaments during the course of the year.

"For when the one Great Scorer comes
To write against your name,
He marks, not that you won or lost,
But how you played the game."

OTHER STUDENT ORGANIZATIONS

BUSINESS CLUB

The Club is the student organization of the Business Education Department. Its purpose is to give to its members both "educational fun" and programs which awaken the students to real standards and activities in business life. Trips are taken to business centers; outside speakers are invited to address the club.

COLLEGIATE COUNCIL FOR THE UNITED NATIONS

The Collegiate Council for the United Nations is an intercollegiate organization formed for the purpose of stimulating an understanding on the campus of the aim, scope, and functions of the United Nations, and to give expression to student opinion on the United Nations through cooperation with state, regional, and national councils for the United Nations.

FRENCH CLUB

Being conscious of the fact that America, as a leading nation of the world, will need in the future many citizens who speak foreign languages, the members of the French Club believe that by studying French they can cultivate better understanding between our citizens and those of France. All who take French, who wish to improve their French conversation, or who are interested in France and the French people are welcomed as members.

THE HIKING CLUB

The Women's Recreation Association conducts hikes almost every week-day afternoon (weather permitting). All students are encouraged to participate in this hiking program. Students who participate regularly in the sponsored hiking activities may become members of the Hiking Club.

LOS AMIGOS

Los Amigos, as its name implies, is an informal Spanish Club open to all students who speak and desire to speak Spanish more fluently. A deeper appreciation and understanding of the Latin American people and their culture is gained through the medium of Spanish plays, games, and native folk songs and dances.

"M" CLUB

The "M" Club is the honorary recreation organization for women. To become a member you must prove skillful in sports, show sportsmanship, good teamwork, and an active interest in the recreation program of the college. So come on girls let's have a good time and become a proud wearer of the Montreat "M."

MONTREAT CHURCH CHOIR

All students who have pleasing voices and who are interested in participating in the worship service through music, are invited to join the choir. The first two Sundays of every month, the choir presents the special music in a near-by Veterans hospital.

MONTREAT COLLEGE ACTIVITIES OF THE AMERICAN RED CROSS

"The purpose of Red Cross Activities is to provide men and women students on college and university campuses with an opportunity to help plan and administer their volunteer activities in the community, national, and international Red Cross programs." The Montreat Red Cross group provides entertainment at regular intervals for the patients in a neighboring Veterans hospital.

MONTREAT COLLEGE SINGERS

Members of this group are chosen through auditions at the beginning of the fall term. In addition to concerts on campus, the Singers present concerts in churches, schools, radio and T.V. stations in surrounding areas. The highlight for the Singers, and of interest to the student body, is the annual extensive tour.

MUSIC CLUB

Organized in 1955 to promote a better understanding and greater appreciation of good music of all types, the Music Club is open to all students who are interested. Through lectures, discussion, and performances, the student has the opportunity of becoming familiar with the standard repertoire, including the works of contemporary composers.

THE SOCIAL COMMITTEE

This committee is composed of a chairman nominated by Cabinet and elected by the student body, two representatives from each class and the Vice-President of the Women's Recreation Association. The committee works with the Faculty Committee on Social Activities to plan parties and other social functions.

THE THALIANS

College students interested in acting and stage technique will be given an opportunity to join the Thalians. Through discussions of the history of the theater, and through presentation of various plays during the year, valuable experience and knowledge are given the student.

SCHOOL SONGS

ALMA MATER

(Tune: Believe Me If All Those Endearing
Young Charms. Words were composed
by Mrs. Lucille Belk Armistead.)

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain,
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And the ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

MONTREAT GIRL

Now when a Montreat girl walks down the street,
She looks a hundred per from head to feet—
She has a word, a smile, a winning way,
And when you see her, boy, you'll recognize her and you'll say—
Now there's a girl I'd like to know,
She has that Montreat spirit, pep, and go,
And just to look at her is quite a treat,
It's hard to beat,
A MONTREAT GIRL!

MONTREAT

Montreat, we're always thinking of you,
Montreat,
We'll tell the world we love you.
Don't forget we're yelling for you.
We will play, and sing, and dance and everything
For Montreat.
You are our inspiration; days are never blue.
And after all is said and done,
There is really only one.
Oh Montreat College, it's you!

MAY DAY SONG

She comes, she comes, our radiant queen,
And joyfully we sing.
She spreads the hills and fields with green,
Our lady of the spring.
Let all the universe rejoice,
Upon this gladsome day,
And spread the tidings with one voice,
'Tis May, May, May!
'Tis May, May, May!
Winter winds are far away,
All the earth is bright and gay.
And joyfully, again we say,
'Tis May, May, May!

BLUE AND GOLD

Blue and gold of old Montreat,
With love for you our hearts will beat—
A candle light shining where'er we dwell,
To the friends that we all love so well—
We're thankful for skies of blue,
The breeze that whispers its love to you,
We hear their voices calling,
With love enthralling—
O DEAR MONTREAT!

COMMENCEMENT SONGS

PROCESSIONAL

The children of the King are we,
The children of the King;
His emblem bearers we would be,
And so his banner bring;
Its colors gleam all gloriously,
As forth its folds we fling;
The children of the King are we,
The children of our King.

O heed with us the happy call
To worship of our King.
Come join us in His temple all
Who hear His church bells ring;
Your souls shall feel His blessing fall,
And know His comforting;
O heed with us the happy call
To worship of our King.

The earth, it is His garden fair,
The garden of the King;
Where flowers and little children share
His love for everything;
The whole wide world lies in His care,
Beneath His brooding wing;
The earth, it is His garden fair,
The garden of the King.

Our lives are links of years and days,
Wherein to serve our King;
Like Him, to help in loving ways,
While homeward journeying.
Our lives, our lives, shall sing His praise
As now our voices sing;
Our lives are links of years and days,
Wherein to serve our King.

(The music for this was composed by Mrs. Crosby Adams.)

RECESSIONAL

BRIGHTLY GLEAMS OUR BANNER

Brightly gleams our banner
Pointing to the sky,
Waving wand'rers onward
To their home on high.
Journeying o'er the desert
Gladly thus we pray;
And with hearts united
Take our heavenward way.

Jesus, Lord and Master,
At Thy sacred feet,
Here with hearts rejoicing
See Thy children meet;
Often we have left Thee
Often gone astray;
Keep us mighty Saviour,
In the narrow way.

All our days direct us
In the way we go,
Lead us on victorious
Over every foe;
Bid Thine angels shield us
When the storm clouds low'r,
Pardon, Lord, and save us
In the last dread hour.

Then with saints and angels
May we join above,
Off'ring pray'rs and praises
At Thy throne of love;
When the toil is over
Then come rest and peace,
Jesus in His beauty,
Songs that never cease.

Refrain: Brightly gleams our banner
Pointing to the sky,
Waving mortals onward,
To their home on high.
